

PS-RCMS Seminar

先端薬科学特論：単位認定講義

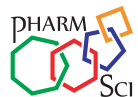

Prof. Joost Reek

Van't Hoff Institute for Molecular Sciences,
University of Amsterdam, Netherlands

“Supramolecular approaches
to control activity and selectivity in
transition metal catalysis”

November 15, 2018 (Thu) 16:30-
Noyori Materials Science Laboratory 2F, Lecture Room

Host: Masato Kitamura
Graduate School of Pharmaceutical Sciences
